PETITION FOR FILING UNDER 37 C.F.R. §1.47(a)

Pursuant to 37 C.F.R. §1.47(a) and M.P.E.P. §§409.03 and 409.03(a), it is respectfully petitioned that the above-identified application be made by joint inventor Max Segerljung on behalf of deceased joint inventor Kurt Dahlström, for the following reasons.

An executed General Power of Attorney appointing Johanna Dahlström, daughter of Kurt Dahlström, to execute all documents on behalf of deceased joint inventor Kurt Dahlström, was filed with the application papers on January 14, 2005. Attached is a

CERTIFICATION UNDER 37 C.F.R. § 1.10

I hereby certify that this correspondence and the documents referred to as enclosed are being deposited with the United States Postal Service on date below in an envelope as "Express Mail Post Office to Addressee" Mail Label Number EV702132017US addressed to: Mail Stop PCT, Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

Dated: December 21, 2005

Declaration executed by Jan Olsson, Swedish counsel for both the assignee and joint inventors of the above-identified U.S. application, plus an English translation of a letter sent by Jan Olsson by courier to Johanna Dahlstrom on August 30, 2005.

As stated in paragraph 3 of Jan Olsson's Declaration, his letter of August 30, 2005 to Johanna Dahlström enclosed copies of the application papers filed with the Patent and Trademark Office, a Combined Declaration and Power of Attorney and Assignment for execution by Johanna Dahlström on behalf of her deceased father, and a stamped, addressed return envelope for the executed documents. It was explicitly requested in the August 30, 2005 letter to Johanna Dahlström the enclosed documents be executed and returned no later than September 5, 2005, with failure to return the executed documents by that date being interpreted as refusal to sign by Johanna Dahlström.

As of December 5, 2005 (the date the enclosed Declaration was executed by Jan Olsson), no executed documents have been received by Jan Olsson. In this regard, it is stated by Jan Olsson in paragraph 4 of his Declaration that on September 2, 2005, Jan Olsson received a telephone call from Johanna Dahlström informing him that she (1) received his August 30, 2005 letter with contents, and (2) would consider the content and request in his August 30, 2005 letter. Accordingly, the address to which the August 30, 2005 letter was sent by courier to Johanna Dahlström is her correct address, because Johanna Dahlström had telephoned Jan Olsson on September 2, 2005 after receiving this letter.

Accordingly, since a *bona fide*, diligent effort has been made to secure the signature of the individual authorized to execute all documents on behalf of deceased inventor Kurt Dahlström in accordance with M.P.E.P. §409.03, and the evidence of record clearly establishes that individual's refusal to execute such documents, it is respectfully petitioned that the above-identified application be allowed to be filed by joint inventor Max Segerljung on behalf of deceased joint inventor Kurt Dahlström. A petition fee of \$200 in accordance with 37 C.F.R. §1.17(g) is enclosed, together with a copy of Form PCT/DO/EO/905 mailed June 22, 2005, a petition for a four month extension of time for response to Form PCT/DO/EO/905 and requisite petition fee under 37 C.F.R. §1.17 (m).

Favorable action on this petition is earnestly solicited.

Respectfully submitted,
